

Application Validation

At **Complete People Management Ltd** we recognise the importance of checking out an applicant's background. To assist you in your decision making and also to re-assure you that you have a candidate who is who they say they are we can undertake any of the following checks on your behalf:

- Obtaining references from a previous employer or educational establishment;
- Educational qualifications;
- Professional membership.

To find out more about application validation, to discuss your needs and to obtain a quotation telephone Sue at **Complete People Management** on **0208 8168 726**.
