ATTEST / REFERENCE

December 18, 2009

Sue Schoormans, AIPBW-member and former Board Member, led the process for recruiting and screening the 2010 AIPBW Board.

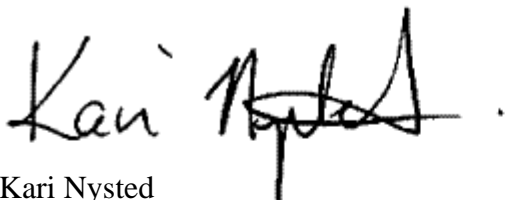

Sue was extremely professional in her approach, the reports she provided, and how she handled the voting and presentation process at the general meeting in December. This year being the second year of Sue's involvement in the recruitment process her dedication and ability to find excellent candidates has continued the support of building of AIPBW's professional image.

Sue is pleasant to work with, dedicated to meeting deadlines, is detailoriented, has a high quality mindset and full integrity in her work.

I highly recommend Sue for similar assignments, she will contribute highly to any recruitment process.
